

## **Edgewater Financial Group Inc.**

Edgewater Financial Group Inc. is an organization dedicated to developing customized insurance solutions for successful people and businesses. Edgewater was founded on the principle that people plan and organize their affairs for greater peace of mind.

At Edgewater we believe peace of mind is only a step away. And that step begins with us. We use a well-defined, simple process that helps you better understand the issues around organizing your affairs. By asking the right questions, both you and our team will better understand what you want, where you are today and what the possibilities and priorities are for change. No matter how large or small your organization or individual concerns, it is important to us that everything revolve around a reasonable and well defined investment of time and money to bring you the peace of mind you deserve.

### **Employee Benefits**

Get off the treadmill of annual increases and a loss of control. At Edgewater we differentiate ourselves by utilizing a process driven approach to benefit consulting. Every process begins with a no cost GAPP (B) Analysis: Goals, Actual Results, Possibilities and Priorities within a Budget. Contact us for a complimentary, no risk audit via our GAPP (B) Analysis and find out why many of your colleagues have chosen us to manage their employee benefit plan.

### **Executive Benefits**

Recruiting, retaining and engaging the very best continues to be challenging in today's complex labour market. At Edgewater Financial Group Inc., we offer leading edge executive benefit solutions that recognize the unique opportunities available via non-traditional employee benefit structures.

Contact us for a free consultation and find out why some of Bay Street's and some of Main Street's most successful firms hire us to design, implement and manage their executive employee benefits.

### **Estate Planning for Wealth Canadians**

Estate planning is the process of anticipating and arranging for the disposal of an estate. Estate planning typically attempts to eliminate uncertainties over the administration of a probate and maximize the value of the estate by reducing taxes and other expenses.

Typical Planning Objectives include simplicity, flexibility, guarantees, preservation of capital, reasonable returns. Contact us for a free, no risk, and complimentary chat about your legacy.
